COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to the Decision on Appeal dated July 6, 2005, "technically" sustaining only the obviousness-type double patenting rejections, Applicants respectfully request reconsideration of the present application for the reasons set forth below.

Claims 3-6, 11-14, 16, 19, 20, 23, 24, and 26-30 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-5 of U.S. Patent No. 6,098,568 in view of Patrick et al.

Claims 3-6, 11-14, 16, 19, 20, 23, 24, and 26-30 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-6 of U.S. Patent No. 6,041,734 in view of Patrick et al.

As stated in the Appellant's Brief filed on February 5, 2004, at page 2, under Status of Amendments, a terminal disclaimer was filed on January 9, 2004 to overcome the rejections under the judicially created doctrine of obviousness-type double patenting. A copy of the terminal disclaimer as filed on January 9, 2004 is attached herewith.

In view of the foregoing, Applicants respectfully request that the judicially created doctrine of obviousness-type double patenting rejections be withdrawn. Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,

Chun-Pok Leung
